Overarching Criteria for Case Selection

## Overarching Criteria for Case Selection

The overarching criteria are set by the Board annually.

The Oversight Board will select cases for review that raise important issues pertaining to respect for freedom of expression and other human rights and/or the implementation of Facebook's Community Standards and Values.

These cases will be of critical importance to public discourse, directly or indirectly affect a substantial number of individuals, and/or raise questions about Facebook's policies.

These cases will reflect the user base of Facebook and ensure regional and linguistic diversity.
